Save the Date - May 9-11, 2016

The **2016 Youth 'Impact' Summit** is hosted in conjunction with the 10th Annual New Mexico Native American Economic Summit to allow students an experience that provides insight and exposure to the success that exists within our tribal communities and the community at large. The Youth Summit presents learning opportunities through impact sessions created to motivate, encourage and show students how they can become leaders, entrepreneurs, find their passion and make a difference in their community. Our goal is also to promote innovation through 'The Shark Tank Challenge' Business/Service Plan competition and foster creativity through the Youth Artist T-shirt Contest. The overall design of the Youth Summit creates an **IMPACT** by generating boundless opportunity for students to network with Tribal leaders, decision makers, successful Native business owners, community partners & resources that can lead to scholarships, internships, jobs and mutually beneficial communication & collaboration.
